Principal's Message

On behalf of the faculty of Lowgap High, I would like to take this opportunity to say a word of thanks to the Seniors for the tremendous job of making this edition of the "Voice of the Mountains" such a resounding success. You have shown through your determination, united effort, and cooperation, that no matter how small a group, nor how insurmountable the obstacles, much can be accomplished. You have made this yearbook one of the nicest and certainly, the largest ever at Lowgap.

I have watched you progress through the fields of academics, athletics and extracurricular activities into adulthood, and it is my belief that you are capable of making many worthwhile contributions to active community life, no matter where you choose to live, or in what walk of life you endeavor. Yours is a great opportunity.

As you go into the world, it is my sincere wish that you realize the dreams and aspirations you have developed during the past years with us and that your future is a happy and rewarding one. May God bless you.
